## Subject: Document Verification for M.P.Ed. (2024–2026) Provisional Admission

Dear Candidate,

Congratulations on your provisional admission to the Master of Physical Education (M.P.Ed.) program for the 2024–2026 session at Gitanjali College of Physical Education, Daikota, Sainthia, Birbhum. To confirm and finalize your admission, you are required to complete an in-person document verification process.

**Verification Schedule:** Please report to the campus for document verification on 03.03.2025 (March 3, 2025). The verification will take place at Gitanjali College of Physical Education, Daikota, Sainthia, Birbhum. Kindly ensure you arrive on the scheduled date with all necessary documents.

**Documents Required:** You must bring the following documents for verification. Each original document must be presented along with one self-attested photocopy for our records:

- Admission Application Form: A printout of your submitted M.P.Ed. Application form.
- Academic Certificates: Mark sheets of Class 10 and Class 12, and the final mark sheet of your B.P.Ed. (or equivalent undergraduate degree in Physical Education).
- Identity and Category Proof: Valid photo ID proof (e.g., Aadhaar card, PAN card, passport) and Caste/Category Certificate (SC/ST/OBC), if applicable.
- EWS Certificate: Economically Weaker Section certificate for the current financial year (2024–2025), if applicable (for candidates admitted under the EWS category).
- Anti-Ragging Undertaking: A signed anti-ragging undertaking, as per university guidelines.
- No Objection Certificate (NOC): Required only for in-service candidates – a NOC from your employer permitting you to enroll in the M.P.Ed. program.
- Online Payment Receipt: The receipt confirming payment of the applicable admission fees, obtained from the official university payment link. Submission of this payment receipt is mandatory for verification.

Please ensure all photocopies are self-attested by you (signed and dated) before submission. The college will retain the photocopies of your documents (along with your application form) after verification for its records.

**Important:** Failure to report for verification on the above date or to produce any of the required documents (including the online payment receipt) will result in cancellation of your provisional admission. In such an event, your seat may be offered to a waitlisted candidate.

We appreciate your cooperation in this verification process. If you have any questions or require assistance, please contact the college administration for guidance.

Sincerely,

Teacher in Charge
